TERM 4 WEEK 10

15 DECEMBER 2016

## Principal's News—Simone Champion

### Presentation Evening

On Wednesday we held our first Presentation Evening and it was a huge success. Given the weather conditions, it was fortunate to be able to hold it at Peats Ridge Hall. Well done to all the award winners – it is truly wonderful to see so many successful students at our school. It was a delightful evening and an event we will continue into the future.

### Reports

Reports have gone home today, Thursday, 15 December. The reports reflect your child's progress this semester. Should you wish to discuss your child's report, please contact the class teacher.

### School Development Days

School will finish for students on Friday 16 December. There will be no staff on school premises on the Monday and Tuesday of Week 11 as our teaching staff completed their School Development Days after hours and on weekends earlier in the year.

### Final Message

This is our last Newsletter for 2016. What a fantastic year it has been! Thank you everyone for your support this year, it has been a very productive year with many opportunities given to students. For returning families, I look forward to seeing you all in the New Year. Students in Years 1 – 6 will return on Monday, 30 January. Kindergarten will be completing the Best Start Testing on return to school and will begin school on Wednesday, 1 February. I would like to thank my outstanding staff for their dedication and commitment to our students. I also wish you and your family a very safe and enjoyable holiday break.

Education

# In the Spotlight

## Year 6 Farewell

Last week was the Year 6 Farewell. We had a great night eating, dancing and playing games. It was a great opportunity to spend the evening with these people before they head off to high school.

## School Uniform

It is expected that all students are to wear correct school uniform in 2017. shoes seem to be the main cause for concern. Please do not purchase fluorescent sneakers for students to be worn at school as this is not part of our school's uniform policy. In warmer weather, students should wear a light blue polo shirt with grey/check shorts. Girls also have the option of a check dress.

## Uniform Shop

The Uniform Shop will open for sales on Monday 30 January, the first student day of Term 1 and the first and third Monday of each month.

## Personal belongings

Please take the time this holidays to ensure that all personal belongings such as clothing, lunch boxes and drink bottles are clearly labelled with your child's name. We have had a huge amount of lost property over the last year without names which makes it impossible to return to the owner and it is very expensive for families to keep replacing items.

## Library News

Please ensure your child/children have a library bag for 2017. We encourage all students to borrow books regularly in their weekly library lessons and they must have a bag to protect their books
