TERM 3

WEEK 10

Principal's Message

Dear Parent/Carers

Term 3 has been very busy and productive at Central Mangrove. With the many and varied opportunities offered for our students to be involved in including NAIDOC celebrations, Education Week, Open Day, The Book Fair, Public Speaking, Spelling Bee, Athletics Carnivals, The School Musical, AFL and Life Education. Students, staff and families have earned a well deserved break. We look forward to Term 4 with many exciting events and opportunities already being planned and organised. I wish you a safe and happy holiday.

Term 4

Students return to school on Monday 15 October. There is no School Development Day on this first day back with students attending school as normal.

End of Year Events

The end of year becomes very busy. You may like to save these dates.

- Year 2 — 6 students will be involved in the swim scheme again this year from 10 – 19 December.
- Central Mangrove Presentation Evening will be held at Peats Ridge Public School Hall Wednesday 12 December.
- Year 6 Farwell Tuesday evening 18 December at Mangrove Mountain Golf Club.

We look forward to sharing these events with you.

Mangrove Mountain Country Fair

The Country Fair is fast approaching and from all reports we, Central Mangrove Public School have a reputation to uphold with the running of the Cake Stall. The cake stall last year was a huge hit and was only made successful by the support from our school community and their

CALENDAR DATES

Wed 31 Oct Book Mobile

Fri 2 Nov Athon

generous donations of cakes, biscuits and goodies to sell on the day. We are seeking your support again this year. If all donations of baked goods could be dropped at school on Friday 19 October or to the stall on the day 20 October that would be fantastic. Cake boxes can be picked up from the school or sent home with your child by contacting the school office. CM2 and CM3 will be singing a song, our Dance Group will be performing and Giovanna will be playing a song on the guitar at the Country Fair. All classes will have art on display as well. Something to look forward to on the first Saturday after the school holidays.

Many of our students entered in the colouring competition. I would like to congratulate Christian, Leela, Sienna, Emmiline, Olivia, Jazlee and Chelsea for receiving first place. Well done also to Lexie, Jessica and Alex for being runners up.

Kindergarten 2019 Orientation

Thank you to those parents who attended the information session. Enrolment forms need to be completed and returned to the school office. Orientation sessions will be held over four consecutive weeks beginning in Term 4 at 9:30am on Thursday 1 November. Please contact the school if you require further information.

NAPLAN

2018 Year 3 and 5 NAPLAN results were sent home this week. Individual student performance is shown on a national achievement scale for each test. The performance of individual students can be compared to the average performance of all students in Australia. If you would like to discuss individual results further please organise a time to meet with your child's teacher.

Past Students

I would like to acknowledge our former students from Year 6 2012 who are currently preparing to sit for their HSC examination. This is the culmination of all their hard work throughout their primary and high school years and we wish them well.

I would also acknowledge former CMPS student Oliver Rickards who has spent the last 12 months representing KMHS as the school captain. All of us here at CMPS are very proud of the leadership skills demonstrated by Oliver throughout his time as School Captain.

Small School Spectacular – The Amazing Race

Thank you to those parents who completed the survey on the school spectacular.

The results indicate that nearly all parents felt that it was a successful event

and enhanced the positive relationship with the community. 90% of respondents said that their child enjoyed the experience and felt that if we were to do it again it should be held in the theatre. An area of improvement included earlier and clearer communication between the school and community.

| K—6 | Life Education | \$10.00 | OVERDUE |
| Yr 6 | Leadership Day | N/A | 18.10.2018 |

DAYLIGHT SAVING STARTS

Daylight Saving will end in New South Wales on **Sunday 7 October 2018 at 2:00 am.**

Remember to put your clocks **forward** one hour.

Mangrove Mountain Country Fair — Saturday 20 October 2018

The Mangrove Mountain Country Fair is on 20 October, so it's **BAKING** time! The Central Mangrove Public School cake stall is a favourite for everyone, and we need you to start working on your famous scones, cakes, slices, jams or whatever your specialty is, to donate to the school stall, to make sure we have enough for everyone from the Mountain and beyond!

We highly recommend starting early and putting things in the freezer if possible, to avoid the last minute rush and heat in October. Cake boxes and slice trays will be available from the office Term 4 Week 1.

Items for sale can be delivered to our stall at the Fair on the day or to school on Friday 19 October. Please label all items with a list of the ingredients and package them ready to be sold.

A note was sent home for helpers.

Please return notes ASAP

From the Students

On Tuesday we did Maths experiment about water levels and if shapes made the water move. The shapes were a teddy bear, a peg, a unifex cube and a star. We put the teddy bear in the water and it splashed. The water did not change levels. We dropped the peg in next and the water got fuller. We measured the water each time we dropped something in the water. We had to draw pictures of the objects and if the water level changed.

By Gemma, Hayley, Makayla and Ava

We had to draw pictures of the objects and if the water level changed.

Life Education

On Thursday afternoon CM1 got to see Healthy Harold. They loved watching Harold try to get the carrots off Michelle and watching him play Twinkle Twinkle Little Star on the xylophone. Harold taught the kids about friendship, the human body and how to be safe. CM1 loved seeing Healthy Harold and laughing along with him.

Miss Murchie

Welcome to the Healthy Harold show! At Healthy Harold kids get to learn life education. It is a place to learn new biology facts with kids. The facts we learnt are there is a waste germ, a healthy germ called nutrients and minerals. Our blood gets oxygen and the asthma puff opens the throat to breathe. We learnt new body parts, these parts are the heart, lungs and small intestines. You get to see a show and there are stars on the roof. Meeting Healthy Harold is a wonder show! We saw healthy Harold at the end of the show.

From Evie and Paige CM2

On the 27/9/18 Healthy Harold came to Central Mangrove PS. We all loved seeing Harold and for 5/6 it was a very sad moment because we will never see him again. As we walked in the van, Roar was on and everybody started dancing. We met our instructors and it was easy to remember their names because they both had the same name, Michelle. We watched a blog about respect with Bethany. Then we had a talk about cyber bullying, friendship and addiction to electronics and at the end Bree had a game of Basketball with Harold (Elias was controlling Harold) and Bree won. Then at the end Harold kissed everyone goodbye. Then Chelsea got to hold Harold for the class photo (Harold was itchy) By Breeanna and Chelsea CM3

Enrol now for Kindergarten 2019

~Kindergarten Transition begins in November 2018~

Engaging

School Readiness

Orientation

At Central Mangrove Public School, our Transition Program is all about the students being ready and feeling comfortable in preparation for our school.

Transition reduces feelings of anxiety for both parents and children through familiarising your child with their new school.

Transition Days

Thursday

1, 8, 15, 22 November 2018

9:30 am — 11:00 am

During the Transition sessions, your child will participate in a range of fun and educational activities similar to the activities that occur in a Kindergarten classroom.

- Rotation groups
- Independent activities
- School tours
- Classroom visits

Sessions will be held CM1 Classroom

Parking Restrictions Outside Schools

KIDS LOOK TO US TO KEEP THEM SAFE - PARK LEGALLY IN SCHOOL ZONES

Central Coast Council would like to remind parents of parking restrictions outside your school. Please pay close attention to the signs outside your child's primary school and watch your speed when travelling through all school zones.

NO STOPPING zone
Stopping is NOT permitted at any time.

BUS ZONE
8:00am - 9:30am
2:30pm - 4:00pm
SCHOOL DAYS

BUS ZONE
Stopping is not permitted during the times shown on the sign.

DOUBLE PARKING
You are not permitted to stop OR park alongside another vehicle already parked parallel to the kerb. This means do not form a queue in the middle of the lane if you are waiting.

Move on, do a loop and come back.

NO PARKING zone
Drivers may drop off and pick up children during the times shown on the sign BUT note:

- Maximum stopping time is 2 MINUTES – your child must exit and enter the car within this time.
- Driver must remain within 3 METRES of the vehicle – you may get out to help with bags etc.
- Stop as close as possible to the top of the zone to allow access for vehicles following behind.

NO PARKING
8:00 - 9:30
2:30 - 4:00
SCHOOL DAYS

P
8:00 - 9:30
2:30 - 4:00
SCHOOL DAYS

Stopping ON or ACROSS a driveway or other access point to and from a property is not permitted under any circumstance.

You must always consider the school's neighbours by leaving space at their driveways to allow safe exit and entry to the roadway.

Travelling more than 40 km/hour through school zones may inhibit a car from stopping in time to avoid hitting a pedestrian. Parking illegally also creates serious risks as it limits the vision of other drivers.

It only takes a split second for an accident to occur and only one car to present a danger to an unknowing child.

Please be aware of the restrictions and park safely outside your child's school.

For more information regarding parking restriction around your school please contact Council's Road Safety Officers via email at: roadsafety@centralcoast.nsw.gov.au
