WEEK 6

### Principal's Message

Dear Parent/Carers

#### Kindergarten 2019 Transition

We held our final Kindergarten 2019 Transition sessions on Thursday. It was great to see the students join us in the playground and stay for lunch. The students have become familiar with the school setting and expectations and we look forward to their return early next year.

#### Central Mangrove Public School Move-a-thon

We had an exciting time last Friday with the Move-a-thon prize giving and draw. Lilly was the major prize winner with Elias and Olivia runners up. The students had fun choosing from the many and varied prizes for the \$10.00 draws that kept on coming. We thank the community for supporting this fundraiser. We successfully raised \$1,437.00. These funds will go toward resources in the classroom to support student learning.

### Afternoon Tea

The staff are hosting a thank you afternoon tea in the school library next Tuesday 27 November at 1:30pm to say a huge thank you to all the parents and family members who have volunteered their time to support the students, teachers and the school in 2018. Your assistance has been valuable and we look forward to working with you all next year. If you have volunteered/assisted at any level during this year we would love to see you there.

### 2019 Anticipated Numbers

Our class planning has commenced for 2019. Parents and community members can assist in this process by notifying us of their future plans in regard to attendance at this school. Having this type of information now allows us to project student numbers for 2019 which can be critical in determining our staffing and other entitlements for the new year. Finalising student numbers is a critical process and one which can have a significant impact on other areas of school management. So, if you are considering a move out of Central Mangrove Public School or know of someone moving into the Central Mangrove school community, I would appreciate you speaking to me as soon as possible.

### End of Term 4

As we near the end of term and academic year, it becomes quite busy at CMPS. Teachers will continuously inform parents about what is happening to ensure that students do not miss out on the many events happening over the next few weeks.

### Respect, Safety and Personal Best

We continue to talk about our school values of respect, safety and personal best. We have looked closely at what bullying is and isn't and have been working on strategies to deal with bullying and encouraging students to be an up stander. Included in the newsletter are some of the key lesson ideas that have been addressed this last fortnight. You may like to discuss this further with your child. Additional information about bullying is on the school website.

### Swim School

Students in **Years 2-6** will be attending an 8 day swim school program from 10 - 19 December. Full Payment and permission notes for the Swim School program are due before 30 November. ### Year 6 Farewell Dinner, Disco and Games Night

The Year 6 Farewell is coming up fast. The Farewell will be held at the Mangrove Mountain Memorial Club on Tuesday 18 December. We have already started preparing the evening through organising games, decorations and activities for the night. ## From the Students Cooking and Gardening

On the 14 November CM3 did cooking and gardening. First was our gardening we were split into 4 groups. One of our groups did harvesting, two did weeding, and one was getting the seeds out of the green house and planting them.

Next was our cooking and we were also in the same groups that we were in gardening. One group did cutting frozen oranges and grapefruits that we picked in winter for our marmalade.

Another was cutting the vegetables and making quiche.

A different group was making sorbet and another was making the marmalade.

After cooking we were allowed to eat our food. It was so nice.

Some kids brought jars for marmalade.

We had a great day and we hope our families loved the marmalade.
