TERM 4

WEEK 6

Principal's Message

Dear Parent/Carers

Kindergarten 2020 Transition

We held our final Kindergarten 2020 Transition sessions on Thursday. It was great to see the students join us in the playground and stay for lunch. Thank you to the P&C for organising the sausage sizzle. The students have become familiar with the school setting and expectations and we look forward to their return early next year.

Central Mangrove PS Challenge-a-thon Prize Draw

We have had an exciting day today with the Challenge-a-thon prize giving and draw. The students had fun choosing from the many and varied prizes for the \$10 draws that kept on coming. We thank the community for supporting this fundraiser. We successfully raised \$910.00. These funds will go toward resources in the classroom to support student learning.

Before and After School Supervision

Teacher supervision before school begins when the school bus arrives at approximately 8.50am. Students should not be at school before this time as there is no

teacher supervision. On the occasion that your child arrives before this time they are required to sit outside the office area until teacher supervision begins. At the end of the school day teacher supervision finishes when the final school bus leaves at approximately 3.10pm. On the occasion that parents are running late for pick up, students will be taken to the office area. For safety reasons, the school grounds are out of bounds before and

after school unless prior arrangements have been made.

2020 Student Leadership

We are beginning the process for choosing the student leaders for 2020. Nominations are being taken and eligible students will be invited to present their leadership speech on Wednesday 4th December. The students and staff will vote to elect a captain, vice captain and two student leaders for 2020. The elected leaders will be announced to the school community and presented with their badges at the presentation evening on Wednesday 11th December.

Appreciation Afternoon Tea

The staff are hosting a thank you afternoon tea in the school library next Tuesday at 12.00pm to say a huge thank you to all the family and community members who have volunteered their time to support the students, teachers and the school in 2019. Your assistance has been valued and we look forward to working with you all next year. If you have volunteered/assisted at any level during this year we would love to see you there.

2020 Anticipated Numbers

Our class planning has commenced for 2020. Parents and community members can assist in this process by notifying us of their future plans in regard to attendance at this school. Having this type of information now allows us to project student numbers for 2020 which can be critical in determining our staffing and other entitlements for the new year and can impact on other areas of school management. So, if you are considering a move out of Central Mangrove PS or know of someone moving into the Central Mangrove school community, I would appreciate you speaking to me as soon as possible.

End of Term 4

As we near the end of term and academic year, it becomes quite busy at CMPS. Teachers will continuously inform parents about what is happening to ensure that students do not miss out on the many events happening over the next few weeks.

Swim School

Students in **Years 2-6** will be attending an 8 day swim school program from 9-18 December. Full Payment and permission notes for the Swim School program are due before 20 November. Please also return the form if you child is NOT participating in this program. Lessons will run from 11:45am to

12.30pm each day. Transport will be by bus leaving the school at 11.00am each morning.

Year 6 to 7 Orientation Day

Year 6 students attending public high schools will be attending their chosen High School's Orientation Day on 3 December. Students are to make their own travel arrangement to and from the school.

Presentation Night

Included with this newsletter is an invitation to our Presentation Night on Wednesday 11th December.

Year 6 Farewell Dinner, Disco and Games Night

The Year 6 Farewell is coming up fast. The Farewell will be held at the Mangrove Mountain Memorial Club on Tuesday 17th December. We have already started preparing the evening through organising games, decorations and activities for the night. We look forward to seeing all our Year 5 & 6 students dressed smartly ready to celebrate together. More information will be coming home soon about the evening's events.

What is bullying?

Bullying is when someone:

- Keeps picking on you **again** and **again** and tries to make you feel bad
- Says or does **lots** of mean things that upset you
- Makes fun of you **a lot**
- Tries to stop you from joining in or make others not like you
- Keeps hurting you such as hitting or punching you

Bullying is not OK. You have the right to feel safe.

What can you do?

The High 5

What is the High 5?

1. Ignore
2. Talk Friendly
3. Walk Away
4. Talk Firmly
5. Report

Sometimes you might have a fight or argument with someone.

If it happens once, it is not bullying even though it can be upsetting. It is also not bullying if you sometimes fight with a friend and you can sort it out.

CM3 Cooking and Gardening

On Wednesday the 13 November, CM3 did cooking and gardening. Our theme was New Zealand. We cooked lolly logs, potato chips, carrot chips and sweet potato chips, pickled beetroot in a jar, but we didn't get to taste it yet. It was so good. Especially the lolly logs.

On Wednesday the 13 November, CM3, Mrs Pugh, Mr Pugh the CWA ladies spent the morning cooking in the kids kitchen. Our theme was New Zealand. We cooked lolly logs, Hoki fish, potato chips, carrot chips, sweet potato chips and pickled beetroot in a jar. We haven't tried the pickled beetroot yet because it needs to rest in the jar for a week. Our favourite food was the lolly log. It was so good. We picked the beetroot freshly from the garden to use for our pickled beetroot. We also weeded and planted seedlings from the greenhouse, tomatoes, spring onions and leftover sweet potato. We would like to say a big thankyou to the CWA ladies for helping us with our kitchen garden program each term.

Challenge-A-Thon

On Friday 8 November we had our STEM Challenge-A-Thon and grandparents afternoon. Students participated in a range of STEM challenges including an ozobot race, stop-motion animation, volcano making and an up-cycling design challenge. It was exciting to see everyone having a go and trying out the different challenges. Students also got to work with their visiting grandparents. It was a fantastic day!

Max and Ronnie were the major prize winners

Thanks to all the sponsors for our students, we were able to raise \$910.00 for our school.
