Tuesday 13 December – K-6 Surf Fun Day

Thursday 15 December – Year 6 Farewell (year 5 & 6 students)

### Presentation Assembly

The end of year Presentation Assembly will be held next week, Wednesday 7 December at 9.30am in the COLA. We invite all parents to attend this event. At the assembly we will be presenting our major awards, Kindergarten and year 6 graduation certificates, the 2023 leadership team will be announced and all students will be involved in a performance.

### Class Planning 2023

Our class planning has commenced for 2023. Parents and community members can assist in this process by notifying us of their future plans in regard to attendance at this school. Having this type of information now allows us to project student numbers for 2023 which can be critical in determining our staffing and other entitlements for the new year. So, if you are considering a move out of Central Mangrove PS or know of someone moving into the Central Mangrove school community, I would appreciate you speaking to me as soon as possible. We hope to provide further details of the planned class structures and teachers before the end of the school year.

All students, K-6 are invited to attend a Surf Fun Day on Tuesday 13 December to be held at Terrigal Beach. The Surf Fun Day is not only an enjoyable end of year activity for all involved, but teaches the students surf awareness, rescue techniques, sun protection, how to identify a rip, things they are likely to encounter at the beach, beach games and a basic knowledge of lifesaving. There is no cost for our students as the P&C is supporting this day by paying for the cost of the bus and lunch for each child. We greatly appreciate their support.

## Fun-a-thon

Congratulations to our Stage 3 students who planned, prepared and organised the Fun-a-thon today. The students did a great job engaging the participants in a variety of activities including a haunted house, beauty salon, escape room, sponge throwing and bean bag toss. The sponsorship cards were due back today for stamping. Students will then take their Sponsor Cards back home to collect the sponsorship money and **return their card and money to school by Thursday 8 December 2022**, if they have not already done so. Each student will receive a ticket for participating and for each \$10.00 raised students will obtain an extra ticket in the prize draw. A prize will be given to the family and a student who raises the most money. Funds raised will help to purchase resources for our students.

## Kindergarten 2023 Transition

Our 2023 Kindergarten students have completed their transition program and we have loved having them at our school. We look forward to seeing them back at the beginning of next year ready for a great first year at CMPS.

## Year 6 to 7 Transition

Students in year 6 have had a variety of opportunities to discuss, become familiar and develop strategies to assist in their transition to high school including online modules, in school visits from teachers and visits to their respective high schools. They are excited and perhaps a little nervous for the next adventure in their education.

## Welcome to the Central Mangrove Public School HOME READING PROGRAM

Kids can get so much fun, adventure and ideas from reading books. We're asking kids to get into books by reading for at least 20 minutes each night for 5 weeks. We invite them to join the Central Mangrove Public School Home Reading Program with a chance to win a book voucher.

Central Coast Select Properties is proud to partner with your school. The kids that join the program will be entered into a class draw for a \$20 Scholastic Book Voucher.

We are proud to support the school by sponsoring the Home Reading Program initiative, and welcome all the kids to pick up a book and start reading.

Yours Sincerely,

# Why attendance matters

When your child misses school they miss important opportunities to:

- Learn
- Make friends
- Build skills through fun

---

**Days missed = years lost**

A day here and there doesn't seem like much, but...

When your child misses just...

**1** day per fortnight

= **4** weeks

= **Over 1** year missed

**1** day per week

= **8** weeks

= **Over 2.5** years missed
