TERM 2

WEEK 10

Principal's Message

Dear Parent/Carers

As term 2 draws to a close it gives me great pleasure to reflect on our achievements, accomplishments and experiences had. Not only have the students and teachers been working hard on literacy and numeracy but we had the cross country carnivals, futsal gala day and PSSA soccer. We have had NAPLAN, writing festival, youth leadership day, high school transition and to top it off our major camps. It is now time to stop and recharge our batteries ready for another eventful term 3.

Term 3

Term 3 begins on Tuesday, 19 July for students. The teachers will be participating in a day of professional learning on the Monday with the small school network looking at formative assessment and curriculum implementation. This will not be held at the school and the school will be closed on that day. We look forward to seeing the students back on the Tuesday.

If Unwell

Flu and COVID-19 can be serious illnesses, even in children and teenagers. Both viruses can spread quickly when large numbers of people are in close contact, such as at school. We urge parents and carers to keep your children at home if unwell. Remember to use a rapid antigen test if your child is experiencing even mild COVID-19 symptoms and keep them home until they are well and free of any symptoms, even if their result is negative. If your child RAT result is positive, it must be

2022 Stage 3 Small School Canberra Camp

Our Stage 3 students returned from their Canberra Camp last Wednesday full of stories to tell but very tired. They had a wonderful opportunity to explore and learn about our nations capital and how our political system has evolved. The students represented our school with pride and demonstrated our values of safe, respect and personal best. It was wonderful to join with our small school community to be able to provide these experiences. Thank you to Mrs McCloud for giving up her time to provide this opportunity.

Semester 1 Reports

I have spent the last week reading the semester 1 student reports. It is wonderful to read the achievements of each child and the growth they have made as well as what they will be working toward. I would like to acknowledge the time and thought put in by the teachers in preparing the reports. If you would like further information or have any questions or concerns please contact your child's teacher to organise a time to catch up.

Home Reading

We had our 4th Home Reading draw today. We are very proud of the students who are reading regularly at home, it certainly has a huge impact on learning progress. We encourage all students to get involved. Even listening to someone read can count as time. Those students that have read at least 20 nights over 5 weeks will be entered in a class lucky draw to earn a \$20 scholastic gift voucher to purchase a book from the next Scholastic Book Club. New Home Reading Cards will be handed out Term 3 Week 1.

Wakakirri

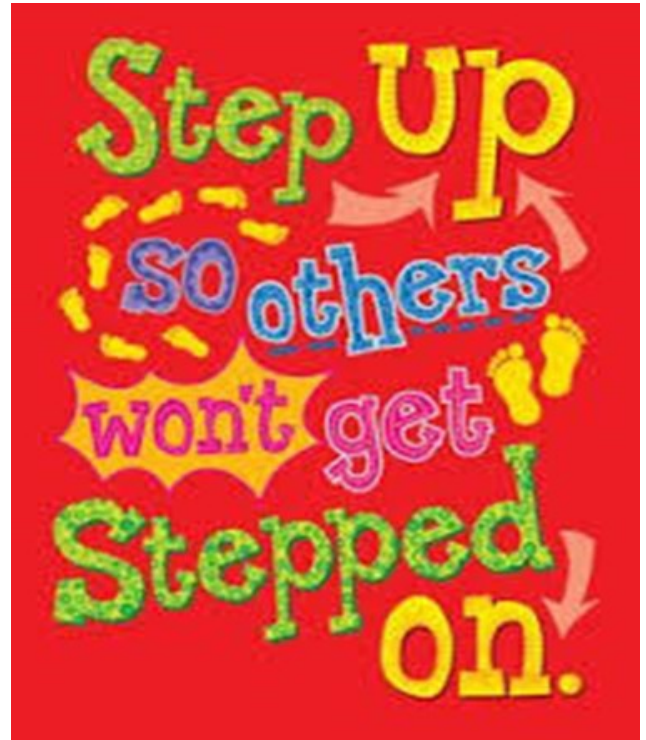

We are excited to be involved in Wakakirri – National Story-Dance Festival for Schools 2022. We were successful, along with our local small schools, in gaining a grant to support this program to employ a dance teacher to help facilitate this program. We have been rehearsing a variety of story-dance items throughout the last few weeks and will continue to do so early next term in preparation for the final production. We have entered in the video section of this festival and look forward to sharing our final presentation with you later next term.

PSSA Combined Small Schools Soccer

Four students had the opportunity to join with our local small schools to form a combined team to play in the PSSA Soccer last Monday. We congratulate Max, Connor, Melvin and Gurwak for their sportsmanship on the day.
