Kindergarten Enrolments for 2024

Enrolments for our 2024 Kindergarten cohort are now open. If you have a child starting school next year please visit our web page and fill in the online enrolment. You can also call or drop into the office to collect an information pack, ask any questions and organise a time for tour of our wonderful school. Kindergarten orientation sessions will take place in Term 4.

KMHS Illustrators Workshop

Lilly, Jamal, Kadence and Charlie had the opportunity to participate in Matthew Lin's workshop on Monday at Kariong Mountains HS. The students learnt a lot about how small changes to an illustration can change the mood and character you are trying to portray. I encourage them to continue experimenting with their drawing techniques.

Stage 2 & 3 Camp

The students had a wonderful time at camp and all students demonstrated our values of safe, respect and personal best throughout. They had the opportunity to participate in a challenge course, rock climbing, raft building and archery. It was great to see the students taking up the challenge and supporting each other in these tasks. The students also connected with the other students from the small schools.

Arrangements For Upcoming Bushfire Season

A letter was sent home this week informing parents and carers of these arrangements. Our school is in a bushfire prone area and is listed as Category 1 on the NSW Department of Education's bushfire risk register. To ensure the health, safety and welfare of students and staff, the department has determined that on days when NSW Rural Fire Service declares a Catastrophic Fire Danger Rating for Central Coast Local Government Area, our school will temporarily cease operations for the following day. In addition, schools may be made non-operational due to changing higher risk conditions and advice from emergency services and the State Emergency Operations Centre. Please contact the school if you require further details.

Tell Them From Me Survey

This Term, our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. This valuable feedback will help our school make practical improvements. The survey is confidential, voluntary, and participants may skip any questions they are not comfortable answering. The details on how to access this survey will be sent out in a letter and emailed to you over the next week.

Good luck Mrs Cunningham

If I am thinking correctly, a new baby is probably, undoubtedly the grandest gift that could ever be.

Attendance Matters

Missing a day here or there may not seem like much, but absences add up and can negatively impact your child's learning and wellbeing. When your child misses one day a week that's 40 days of school and 8 weeks of learning in one year. Over an entire school journey this adds up to 2.5 years of lost learning.

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life

1 day per fortnight = 4 weeks = Over 1 year missed

1 day per week = 8 weeks = Over 2.5 years missed

ARRANGEMENTS FOR THE UPCOMING BUSHFIRE SEASON

Dear parent/carer,

I am writing to advise you of bushfire emergency arrangements for our school this bushfire season.

Our school is in a bushfire prone area and is listed as Category 1 on the NSW Department of Education's bushfire risk register.

To ensure the health, safety and welfare of students and staff, the department has determined that on days when NSW Rural Fire Service declares a Catastrophic Fire Danger Rating for Central Coast Local Government Area, our school will temporarily cease operations for the following day.

In addition, schools may be made non-operational due to changing higher risk conditions and advice from emergency services and the State Emergency Operations Centre.

We recommend that you download the [Parent App](#) and select to monitor advice from our school which will push notifications to you advising that the school is non-operational. We also recommend that you stay up to date with bushfire and grassfire activity by using the [Hazards Near Me](#) app (set a watch zone for your school area), and by monitoring local media. You can also review fire activity and alert levels on the [RFS](#) website.

The Fire Danger Rating does not mean there will be a bushfire, but rather weather conditions that could pose a high risk for a bushfire event. The measure is proactive to ensure staff, students and the community remain safe.

To ensure that we continue to support student learning on these days, I have put the following arrangements in place:

When our school is not operating due to a catastrophic fire danger rating students can access and choose one of the departments online learning packages provided in 2022. <https://sites.google.com/education.nsw.gov.au/learning-pack-2022-year1-2-t1/home>

Our school will inform our school community after 4pm if there is a change to the operational status of the school for the following day. To assist the school in contacting all families please ensure that you have provided us with up-to-date contact details.

Further information on up-to-date communication of school operations, can also be found through:

- our school website, Facebook page and Sentral app.
- NSW Department of Education's School Safety website: [education.nsw.gov.au/public-schools/school-safety](https://www.education.nsw.gov.au/public-schools/school-safety)
- NSW School Updates app: [education.nsw.gov.au/parents-and-carers/nsw-school-updates-app](https://www.education.nsw.gov.au/parents-and-carers/nsw-school-updates-app), and
- social media.

We recommend that all of our families follow the advice of the NSW Rural Fire Service and ensure that your family knows what to do if there is a fire.

It can take as little as five minutes to make your plan. Discuss it with your family so you know what you will do in the event of a fire. www.myfireplan.com.au

Please contact the school on 02 43731156, if you would like any further information about this matter.

Yours sincerely,

Libby Cullen
